## Report of Principal and School Improvement Council

Cross Elementary School has created a positive climate for learning centered on its school motto - I Believe in myself, I CAN! Our vision is to establish a learning community that maximizes students' learning potential while empowering them to become successful, productive citizens and lifelong learners. Cross Elementary's mission is to provide all students with opportunities to reach their fullest potential, supported by a committed school and community.

The school population is unique and ranges from four-year-old child development through sixth grade. The school is fully accredited by the Southern Association of Colleges and Schools and qualifies for title 1 federal funds based on a free and reduced-price lunch rate exceeding 85%. The school offers a wide variety of educational programs to benefit all levels and styles of learners. A fine arts program provides students with opportunities in art, music, library and physical education and band. Students receive computer-assisted instruction weekly with additional opportunities to complete reports, enhance their technology skills, and receive extra computerized instruction. Students needing additional instruction in math and reading are identified and provided assistance in after-school tutoring classes. Tutoring and extra-curricular activities are provided through a 21st Century grant.

Cross Elementary met Adequately Yearly Progress (AYP) and has twice been awarded the Palmetto Silver Award. The school, in collaboration with the School-wide Planning Team and the School Improvement Council, was successful in implementing and achieving programs and goals through service learning projects, a school volunteers, business and community partnerships, family literacy workshops, parenting programs, Annual Career Day, Adult Education initiatives, and the school-wide Accelerated Reading incentive program. Emphasis continues to be placed on professional growth and development for the Cross Elementary staff. Staff members are trained in Comprehensive Literacy, grade-level appropriate Science kits, Differentiated Instruction, Curriculum Mapping, and Data Analysis. Teachers, administrators, and classified staff are given opportunities to enhance their skills by participating in local workshops and state conferences.

Academically gifted students in grades 4 and 5 have been recipients of Duke TIP. Student achievement in grades one through six continues to show improvement in English/language arts and mathematics. The adoption of a new comprehensive literacy approach, Early Childhood Education Pilot Program (CDEPP), and the use of best practices in mathematics for grades CD through six, will assist with efforts for continued academic performances and student success.
